NON-FINAL REJECTION

The rejections under 35 USC 112, second paragraph, and over Lee et al (US 5,493,530) are withdrawn in view of the amendmenst to the claims.

The eeissue Oath/Declaration filed 10/03/2002 with this application is defective because every error which was corrected in this reissue application is not covered in this resissue Aath/Declaration.

Applicant needs a new declaration citing every error in the patent claim(s) that is being corrected by the addition on claims 18, 20-26 and 28-39. Since applicant changed the scope of the claims after the filing of the original declaration, a supplemental declaration under MPEP 1414.01 would have been required in any case.

Claims 1-18, 20-26 and 28-39 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175. The nature of the defectts) in the declaration is set forth in the discussion above.

Conclusion
